

Wendy's Pom-Pom Scarf

Cast 5 to 7 stitches on 5-6mm needles. .Note that the needle size is your preference as the pom-poms determine the gauge. I cast 6 stitches on 6mm needles. It is easier to cast on using your fingers to form slip knots between the pom-poms and then transfer the stitches to the needles.

Row 1...yarn over (yarn forward), K1, *YO, K1* Repeat * to end of row; you have doubled your stitches.

All remaining rows: *YO, K2tog*... repeat * to end of row.

Cast off as for normal and lengthen the yarn between the pom-poms as you cast off.
